

# Veteran's Benefits

Cape Cod Community College welcomes and appreciates our veterans. 4Cs has VA approval for educational training of veterans and their dependents including all chapters of the GI Bill®.

The Financial Aid Office certifies payment for all VA Education Benefits. Veterans receive assistance obtaining tuition waivers and GI Bill® payments. The office provides application materials, contact information, and certifies enrollment.

The Commonwealth of Massachusetts provides its Veterans, National Guard members, and Active Duty military stationed in Massachusetts with tuition waivers. For Veterans and Active Duty military, the waiver is approximately a 15% discount on each class. MA National Guard members may receive full tuition and fee coverage.

Many veterans receive financial assistance through the VA. Assistance may be in the form of tuition, fees, books, and monthly living stipends. The amount varies with each veteran's situation and with the number of credits per term. Spouses and children of disabled or deceased veterans may also qualify for monthly education payments. Students utilizing VA educational benefits will be charged in-state resident rates. The College also participates in the VA Vocational Rehabilitation program.

The VA provides an online application for benefits at [www.gibill.va.gov](http://www.gibill.va.gov). Veterans should apply for a degree or certificate program through the Admissions Office. Once registered for classes, the Financial Aid Office will certify and monitor enrollment.

Cape Cod Community College will adhere to the requirements of and comply with S2248 PL 115-407 Section 103.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website: <https://benefits.va.gov/gibill/>.
