

Environmental Studies Concentration

Degree Type

Associate in Arts

Students who aim toward a four-year undergraduate program in Environmental Studies can undertake the first two years at the College. In addition to the natural science and mathematical courses, students choose from a variety of environmental electives.

Students who place into developmental math and/or English are required to begin the course sequence in the first semester. Please see an [advisor](#) with questions.

Learn more about the program and apply at [Associate in Arts - Environmental Studies](#)

Requirements

First Semester

Item #		Title	Credits
ENL101		English Composition I	3
BIO151		General Biology I	4
CHM151		General Chemistry I	4
ENV118		Introduction to Environmental Science	4
MAT150		Elementary Statistics	3

Second Semester

Item #		Title	Credits
ENL102		English Composition II	3
BIO152		General Biology II	4
CHM152		General Chemistry II	4
COM103		Human Communication	3
		Behavioral & Social Sciences	3

Third Semester

Item #		Title	Credits
CHM251		Organic Chemistry I	5
MAT195		Precalculus with Trigonometry	4
		Behavioral & Social Sciences	3
		Humanities & Fine Arts	3

Fourth Semester

Item #	Title	Credits
CHM252	Organic Chemistry II	5
	STEM elective	3-4
	Behavioral & Social Sciences	3
	Humanities & Fine Arts	3
Total Credits		64

Career Outlook

This concentration provides students with a sound basis for further study in environmental engineering, environmental studies, natural resources management, environmental education, and environmental management.

This [occupational profile](#) is provided by O*NET.

Program Outcomes

Upon completion of the Environmental Studies concentration, students are able to:

- Communicate and discuss current issues in environmental science
- Demonstrate the ability for further study in environmental engineering, environmental studies, natural resources management, environmental education, and environmental management

Note: The Associate in Arts degree does not indicate a specialized degree in a concentration. Students who complete this concentration will satisfy the requirements of [MassTransfer](#). For additional information pertaining to degree requirements, please refer to [Degree Requirements](#).
