

Student Directory Information

Cape Cod Community College has designated certain types of information as directory information. This includes the student's name, home town, earned degrees or certificates, and academic honors. Students may restrict release of this information, if they wish, and this data will not be released except as authorized by law. Requests to restrict the release of directory information shall be made in writing to the Registrar. The College assumes that failure of any student to do so indicates approval for release of the information indicated above.

Notwithstanding the College's definition of directory information, the Department of Defense, pursuant to the Omnibus Consolidated Appropriations Act of 1998, identifies the following student information as directory information: student names, addresses, and telephone listings; and if known, student ages, levels of education, major. If an eligible student chooses not to exercise his/her aforementioned right to refuse to permit the College to designate some or all of those types of information about the student as directory information, the College will release to the Department of Defense, or an agency thereof, that student information which the Department of Defense has designated as directory information. This may result in the nonconsensual release of students' personally identifiable information by the College to the Department of Defense.

When student information is released pursuant to the Department of Defense request, notice of the request and release of student information in accordance therewith, will be posted in a conspicuous location in the College Registrar's Office for the period of one academic year. All requests for student directory information shall be made in writing to the Registrar who shall review the request for compliance with all state and federal laws and regulations. The College will not release any student information over the phone or to persons making inquiry in person.
